September News!

What's Happening this month in Children's Church?

This month we will continue to follow the sermon series in the Gospel of Mark. This past Sunday we made a few changes to our Children's Church time. The 3 and 4 year olds began their Children's Church time by going to a new room for a time of games and crafts that relate to the Bible Story for the day. The 5, 6, and 7 year olds began with chapel with Mrs. Shannon for the first 20 minutes. These changes helped our chapel time. We will continue having a mini chapel time that consists of learning about our Anglican traditions in worship. We like to begin with a review or a fun game followed by our Gospel reading with acolyte volunteers. We then have our Bible Story for the day. After our Bible Story, we have prayer time, complete with prayer requests and volunteers leading us in prayers, as well as saying our confession prayer. Before wrapping up our time together, we enjoy singing a song or two. Mrs. Shannon then takes the 5, 6 & 7 year olds to the activity/ craft room for their craft time. She will pick up the 3 and 4 year olds for their chapel time.

Stay tuned for more news on new additions we will be adding to our chapel that will help in teaching the Bible lessons as well as our Anglican traditions.

VERSE OF THE MONTH:

"Praise the LORD!! Let all that I am praise the LORD." Psalms 146:1

We will be practicing our verse of the month in Children's Church. I encourage you to have fun memorizing this as a family. Here are some fun ways to help your child with Bible verse memorization:

- Write the words on labels and stick on legos. Your kiddos can enjoy stacking the legos in the right order to complete the verse.
- Write the verse in sidewalk chalk and play hopscotch
- Write the Word Wednesday! This I borrow from one of my favorite authors. Enjoy doodling and writing the verse together on Wednesday and claim that time as "write the word" Wednesday.
- Have a post-it of the verse in your car to practice on your way to school or as you wait in car line. What a great way to start your day!
